MOBILEPNEUS - BELGIUM

Mobile tyre support for heavy vehicles.

Tyre sales, fitting and mobile roadside assistance for trucks, trailers, coaches and fleets within our service area in Belgium.

Our services

- Replacement of a flat or damaged tyre on the road or on site when conditions allow.
- Supply and fitting of new heavy-vehicle tyres, subject to size and availability.
- Interventions for hauliers and fleets, with clear information for the company.
- Direct contact by phone or WhatsApp; the assistant helps prepare a structured request with your location.

Broken down? Send your location, vehicle type, tyre size and a tyre photo if possible. We confirm the solution and price before work begins.

Prices exclude VAT. Rates may change with supplier costs and intervention conditions; the price is confirmed before the intervention.
